Gentlemen:

We are extremely sorry to advise that J. P. (Jess) Foster has resigned as Vice President and Manager of the Brown Deer Nursery Division of Holton & Hunkel Greenhouse Co. He will be missed by his colleagues here at the Brown Deer Nursery, and at Holton & Hunkel Co.

Meanwhile we here at the nursery are busy pruning, trimming, shearing, feeding, and cultivating, as fine a lot of evergreens as can be found anywhere.

Our field counts will be completed in another few days; a price list will be mailed shortly thereafter.

Please note our fine list of liners.....all strong and healthy plants. Our own Northern grown B&B stock cannot be equaled.....well grown, correctly dug, and firmly burlapped.

May we help you with your evergreen requirements.

Yours very truly,
